

Project Completion Report

Education Improvement Program District Swabi

Funded By:
PPAF & KFW

Under Supervision:
Salik Development Foundation (SDF)

Education Improvement Program District Swabi:

- Project Duration: 2.5 years
- Commencement Date: 1st November 2012
- Ending Date: 30 April 2015
- Tehsil: Razzar
- Union Councils: Sard Cheena & Yaqoobi
- Total Schools: 25
- Completed 25 schools
- Worked this year: 13 schools

Project Background:

PPAF aims to promote an effective approach to poverty alleviation through community participation, which is aligned closely with Pakistan's commitment to the Millennium Development Goals (MDGs). While we strongly uphold an overall holistic and multi-sect oral strategy to generate broad and deep impacts at the community level, we are also cognizant of certain community needs that entail specifically tailored responses. "Institutions of the poor"- existing at the bottom of the socio-economic pyramid- constitute the focal point of our programmers; PPAF's all models of interventions revolve around empowering these institutions of the poor to make a considerable and sustainable dent in poverty. We strive to be a dedicated market developer committed to the emergence of professional and sustainable civil society organizations.

PPAF is dedicated to reducing poverty all over Pakistan. Salik development Foundation is the partner of PPAF since 2002. To achieve the targets, PPAF and SDF in collaboration launched education Improvement Program. The Education unit is to provide hard and soft activities for the improvement primary schools in UC Sard Cheena and Yaqoobi. The total schools target for salik Foundation is 25.

S/No	Name U/C	Male Schools	Female Schools	Total Schools

Salik Foundation has been working in District Swabi for 15 years for Social development of the people of Swabi especially in the field of livelihood, community physical Infrastructure, health and education. Salik Foundation is working on its Education Improvement Program with the collaboration of Pakistan Poverty Alleviation Fund with the belief to improve the education sector of Sawabi which would play a very vital role in the development of the people of Swabi.

The president of Salik Development Foundation Mr.Jehanzeb, Abdul Salam DEO Sawabi, Field coordinator Mr.Amir Zeb, other education staff members, CO and PTC members, teachers and community members joined the ceremony.

Ceremony

Ceremony started with the name of Almighty Allah. Yumna student of class 5th recited the Holly Quran in her sweet voice followed by event introduction.

Amir Zeb from Education unit (SDF) briefly introduced Salik Foundation and explained its origin. He added that Salik Foundation Vision is to provide, an equal, developed and prosperous society where everyone has equal rights on resources without any gender discrimination, in a peaceful environment and where people have easy access to Justice.

After the brief introduction of education improvement program Swabi he told that Salik Foundation is going to ensure qualitative education in the government schools of Sawabi with the collaboration of Pakistan Poverty Alleviation Fund. He told that Salik Foundation is going to provide, Educational materials for education improvement, new construction, repair and renovation in 25 schools which would change the educational structure

of the schools selected in the program. Similarly the student will get proper education according to the need and requirements of modern society.

The event was coloured with the performances of students in different activities which displayed

Students of GGPS Yaqoobi performing PT Show

the confidence and motivation of the students. Their performances not only entertained the participants but also encouraged them as well as other students. They performed different creative and innovative activities to express their active participation in teaching and learning process i.e Yumna Class 5th for Qirat e Quran, Afsha Class 4th for Naat, Gulalay Class 4th for national song, Javeria class 5th for English speech, Marwa, Mahnoor, Somi,

Maryam and aysha class 3rd for Tablo and 9 other students for presenting welcome note to the guests of ceremony and PT show. The performances were highly appreciated by their school fellows and other guests as well.

Jehanzeb Salik president of Salik Foundation who has been leading the foundation for 24 years and has been serving the marginalized communities throughout KPK and AJK, told in his speech that Salik Foundation intends to participate in the area development with collaboration of PPAF. He stressed that for achieving all the developmental goals the community active participation is very necessary.

Mr. Jehanzeb Salik (SDF) during

He shared his views about the process and procedure of education activities in the schools. He also mentioned that Salik Foundation will encourage all the efforts regarding education improvement from line department or anyone else, meeting with the PTCs/Cos/VOs for the identification of problems and issues, exposure visits, student's debates, schools new construction, repair and renovation, provision of educational materials, arrange and support sports Melas, formation of environmental committees, hygiene sessions, teachers and PTC trainings for capacity building, activities based learning, participatory learning and many other things. At the end of his speech he paid thanks to Abdul Salam DEO Swabi for participation and all the other participants. He requested the participants to cooperate fully with Salik Foundation so that their young generation get proper and qualitative education and be able to help their families as well as their motherland.

Abdul Salam DEO Sawabi started his speech from paying thanks to all the participant of the ceremony specially Jehanzeb salik President of Salik Foundation and all the SDF staff and

Madam Auranga Head teacher of GGPS NO-1 Yaqoobi along with other staff including CO and PTC members and Students for arranging such a well organized and fruitful ceremony and performances in different activities and for provision of not only basic and necessary needs to the school but also introduced and developed creative and innovative approach in students as well as in teachers.

Abdul Salam DEO Swabi giving bag and uniform

He further said that Salik Foundation is doing fantastic work with support of PPAF in education sector here in two UCs of District Swabi for education improvement and I request to SDF and PPAF to please extend this program to other UCs too .He told that Education Department is very efforts toward education improvement and department Development Foundation in any further activities. At last Jehanzeb (SDF) and Abdul Salam (DEO) Swabi and Mr. Murad Principal Government High School Yaqoobi distributed four hundreds bags and Uniforms among the talented and deserving students of GGPS NO 1 Yaqoobi.Ninty five bags and uniforms had a students during different events before this ceremony.

10. All these events were arranged by the Education Department of swabi.

Mr. Asif Saeed (Senior Program Officer SDF) introduced the event and Salik development

Foundation along with its efforts for the development of Swabi. Salik Foundation is currently working is UC Sard Cheena and Yaqoobi on five different projects i.e Institutional Development, Livelihood enhancement and protection Program,

Health and Education. He explained in detail during his session that how SDF supported thousands of poor and marginalized community members of the two UC's of Swabi..

Abdul Salam EDO education in his speech welcomed all the participants. He appreciated salik foundation for arranging such a good event at district level and thanked for working in 25 primary schools of Sard Cheena and Yaqoobi. He also mentioned some details of work done at schools such as construction of new rooms, Provision of bags and uniforms to 2000 students of the 25 schools, Furniture, teaching aids, Sports material. He further requested salik foundation to include even more schools in their projects.

Mr. Jehanzeb salik (President SDF) also expressed his views on this occasion. He explained that SDF will include more schools and UCs if budget allows. He in his speech explained the importance of PTC and requested that PTC of all the schools should

be activated in schools that will solve more problems and will hence reduce work load on education department.

In the last, the Chief Guest Mr. Shehram Khan Tarakai Minister for Agriculture and information technology expressed his views. He assured the education department that the KPK government is now planning for the uniform courses of all the schools. He explained that imbalance education system has divided the nation in to different classes for poor children are not given attention as compared to cadet colleges and other public schools. He appreciated the work progress of Salik Development Foundation in District Swabi. He assured his full support to salik foundation.

Impact of Education Improvement Program

Community is Actively Participating in Project Implementation

Most of the community is willing and taking interest in sending their daughters to schools

Capacity of Teachers/students/PTCs has highly been improved and government schools are providing much better education.

The role of active PTCs has created a positive environment among the parents and teachers for better education.

Better facilities and sports material motivates the students to be punctual at schools which ultimately controlled absenteeism and dropout.

The better standard of schools, teaching standard and facilities motivated the community and more than 600 new students took admission in the SDF targeted 25 schools.

Date 12/10/14

To day I attended closing ceremony of Capacity building work shop at Sara Cheema - Pst, were taking keen interest. I appreciate the efforts of SALIK Foundation especially Jehan Zeb Salik and his team that with the request to extend their activities to other Union Council also as possible.
